DESCRIPTION

A wonderful place to relax, far away from stress and noise, surrounded by nature and tranquility. However, it is still only 5-10 minutes by car from supermarkets, pharmacies, restaurants, hardware stores, etc. The Cahuita National Park can be reached in less than 10 minutes by car or by bike. Part of the property is planted with various fruit trees, such as lime, orange, akee, bitter orange, mammonchino, caimito, guanabana and much more. The house itself is spacious and has 4 rooms, 4 bathrooms, extra toilet and extra shower. The master bedroom has its own bath and also 2 walk in closets ! In the living room you can make yourself really comfortable on an area of 50 m2. From there you have a view of the pool with jacuzzi and the private park in front of the house. All in all a dream here on the Caribbean side of Costa Rica!
